President, Catholic Board of Education

## President:

*'I feel happy that Milagres College, Mangalore has completed its 12 years of existence'. In the past years (2010-2022) the college has grown step by step, introducing variety of skill oriented professional courses like Hospitality Science (Hotel Management), Food, Nutrition & Dietetics (FND), Interior Design & Decoration (ID&D), B.Com, B.Com with ACCA, along with Aviation & Hospitality Management, Travel & Tourism, Supply Chain, Logistic Management & Goods Service Tax (GST) Diploma Courses.*

*These programmes fetch plenty of employment opportunities all over the world. The College has accredited by NAAC with B++ grade in the year 2020. This speaks about the standard and quality of education imparted at Milagres College.*

*I am glad that Milagres College also imparts value based quality education and strives to fill the gap of unemployment to the modern youth through modern educational infrastructure.*

*"May Our Lady of Miracles bless us all.*

*With choicest blessings"*

Most Rev. Dr. Peter Paul Saldanha  
Bishop of Mangalore

Rev. Fr Bonaventure Nazareth  
Joint Secretary/Correspondent

## Correspondent:

*"In our country where education is held in very high esteem and the teacher is equated to God. We at Milagres College, Mangalore have dedicated ourselves to impart quality education and develop the students to be a responsible citizen and professional individual".*

*Students of Milagres College, Mangalore are groomed carefully and the virtues of hard work, discipline and ethical practices in profession are imbibed in them constantly during their campus life.*

*Campus life here stresses the importance of extra academic activities apart from academic learning, leading them to many new avenues. All these go a long way in making our student a thoroughbred professional, eminently suited to contribute in his chosen career with an ever open mind for new insights and business, industrial, health care and technological advancements.*

*Hence, we are confident that our students equipped with such capabilities will emerge as valuable contributor assets to the development of the organizations they serve as well as to the nation.*

*We welcome all to be part of this great institution which has a legacy of 174 years.*

Rev. Fr Michael L Santhumayor  
MBA, M.Phil, MA (Economics),

Principal / Campus Director

## Principal:

*Milagres College has completed – 12 years of meritorious service for the cause of education in the city of Mangalore.*

*Milagres degree college, Mangalore was incepted in 2010 with the definite purpose of providing higher education at affordable rates to all sections of the society. Began with B.Com and B.B.M the college was able to attract a good number of avid students to the campus. Though housed in the old building, it did not lack any of the basic facilities in addition to some additional ones.*

*The special focus was to make available quality education to the first-generation learners from remote places like Raichur, Bellary, Gulbarga . The need of the hour was to introduce professional degree programmes and the college introduced B.Sc in Hospitality sciences in 2016 and B.Sc in Food Science with specialization in Nutrition and Dietetics in 2017. Yet another professional programme added is B.Sc in Interior Design and Decoration in 2020. Along with the academic expansion in terms of courses being added, the college embarked upon the task of providing training to the faculty so that they are able to meet the challenges of the times and to compete with the latest pedagogical methods of teaching. Conscious of our responsibility towards students at our care and the vision of our Institution, we plan our programmes accordingly.*

*Our Motto-"Passion for Perfection" leads us towards perfect achievements planning our various activities through curricular, co-curricular and extracurricular clubs. All efforts are undertaken at our institution to provide a life time experience of that would make a significant, relevant and meaningful way of living that would pave the way towards the fulfillment of the socio, economic, moral and ethical living.*

*A large number of certificate and diploma courses are being organized to provide life skills to our students. These skills strengthen the students' determination towards greater achievements. National and regional events and festivals are commemorated or celebrated in order to inculcate a sense of belongingness and responsibility in our students. With the sudden and unforeseen event of the pandemic, the college was pushed into a situation to look for ways and means to keep going our programmes. Bereft of students' arrival in the campus, the College had to invent new ways of academic engagement with the students. Proper training and guidance was provided to our staff so that they are able to continue their mission of teaching in an involved manner.*
