Principal Rev Fr Michael Santhumayor welcomed and introduced all the members. Prayer was led by Rev Fr Bonaventure Nazareth.

The IQAC Coordinator read the minutes of the previous meeting. Principal gave the follow up of previous meeting. Mr Archibald and Prof Lourduswamy proposed and suggested the previous minutes.

Mr. Archibald Menezes suggested to give knowledge to the students on trading and not just open DEMAT accounts.

Ms Eva Manorama clarified that there one month internship offered by KCCI to our students on a full time basis. Since this internship is during class hours it is highly impossible due to a stipulated curriculum structure. If the internship is available during vacation we are ready to send them. Ms Eva Manorama proposed to have a research promotion programme for the students to inculcate students to prepare research article with some incentives.

Principal suggested and induced the members of the body to conduct industry academia related training programmes to be conducted during the academic year 2022-23. To this proposal Mr. Roy Rodrigues agreed to give a session on startups and also make them aware and understand the working of this area.

Mr. Alwyn Rosario suggested that Mr. Sahil Kini would be an apt resource person to give us a deep insight about start-up projects.

Mr. Walter informed Mr. Denzil Dcosta to be in touch with the leading bakery, restaurants to indirectly/directly absorb our students towards start-up.

Principal quired Mr Walter if the students would get a chance to work as interns in his esteemed company. Mr. Dsouza said it is difficult because of huge paradigm shift towards automation and human resource.

Mr. Jostan D'Souza student people leader was asked by correspondent seeking his feedback on the overall working of the demat system. Mr Jostan expressed his opinion in a positive manner and referred to the advanced knowledge he gained due to the small pattern of investments he made through his DEMAT account.

Principal suggested about starting of new courses i.e. BBA with logistics management and BCA /BCA AI for the year 2023-24

Correspondent thanked everyone for their presence and time. He also appreciated the efforts put in by Rev. Fr. Michael Santhumayor for increasing the admission.
